Chhatrapati Sambhajnagar

PROFESSIONAL OVERVIEW

Mechanical Design / CAD Engineer with 3+ years of experience in mechanical and automotive-related systems design. Hands-on experience in Siemens NX, CATIA V5, Creo and Teamcenter PLM with strong exposure to 3D modeling, GD&T drawings, BOM creation and design release. Experienced in retrofit and modification projects, piping layouts & manufacturability checks. Certified CAD Engineer from CADCAMGURU, Pune with a strong foundation in multi-CAD environments and design standards.

WORK EXPERIENCE

CAD Engineer

Everllence India Pvt. Ltd. (Formerly MAN Energy Solutions)

June 2024 – Present

- Designed and developed mechanical components and sub-assemblies using Siemens NX.
- Created and released 3D models, 2D drawings, and BOMs using Teamcenter PLM.
- Supported design validation activities by analyzing fit and assembly issues.
- Worked on design modifications based on field feedback and performance requirements.
- Worked on retrofit and modification projects including redesign of existing parts and piping rerouting within running assemblies.
- Performed DMU and interference checks to ensure assembly feasibility.
- Applied DFM & DFA principles to improve manufacturability, reliability, and cost efficiency.
- Assisted in basic failure analysis and implemented design corrections based on observed issues.
- Collaborated with overseas designers to resolve design issues and regularly presented project updates and improvement ideas to the team.
- Exposure to large marine engine systems (2-stroke) and their components.
- Provided Training of NX and Teamcenter to New Colleagues.

Graduate Engineer Trainee (GET)

Everllence India Pvt. Ltd. (Formerly MAN Energy Solutions)

June 2023 – June 2024

- Supported senior design engineers in 3D modeling and drawing creation.
- Developed mechanical layouts and routing designs within assemblies.

EDUCATION

CAD Engineer Certification

CADCAMGURU Solutions, Pune |
2023 | First Class (A Grade)

B.Tech – Mechanical Engineering

Maharashtra Institute of
Technology, Aurangabad (BAMU)
| 2022 | 8.56 CGPA

Diploma – Mechanical Engineering

Marathwada Institute of
Technology, Aurangabad (MSBTE)
| 2019 | 69.12%

Schooling

Saint Meera School, Aurangabad |
Maharashtra State Board
May 2016
Grade: 88.80%

SKILLS

- Communication
- Teamwork
- Critical thinking
- Time management
- Leadership
- Adaptability

ADDITIONAL SKILL

- DMU & Interference Checks
- Technical Documentation
- Expression Based Modeling

- Conducted WOC (Water Oil Calculation) and COG (Centre of gravity) calculations and prepared technical reports for engineering approval.
- Assisted in technical documentation and engineering reports.

DESIGN PROJECTS / TRAINING EXPERIENCE

- Designed sheet metal components with bend allowance and manufacturability considerations.
- Worked on plastic part design and advanced surfacing (Class A, B & C surface development).
- Performed A to B surface conversion and complete part closure using surfacing techniques.
- Executed reverse engineering projects by recreating 3D models from existing components.
- Developed engine component assemblies (piston, connecting rod, crankshaft) as part of training projects

PLM SKILLS

- Creation and management of Item and Item Revision in Teamcenter as per project requirements.
- Creation and maintenance of Bill of Materials (BOM) and assembly structure in Teamcenter.
- Management of datasets and design files linked with CAD models and drawings.
- Performing impact analysis to identify affected components during design modifications.
- Classification and reuse of standard parts using Teamcenter libraries to maintain design consistency.
- Performing advanced search and reference identification to avoid duplicate part creation.
- Maintaining assembly structure consistency between Siemens NX and Teamcenter.
- Managing design release process including revision control and documentation updates.

TECHNICAL HIGHLIGHTS

- CAD Tools: Siemens NX, CATIA V5, PTC Creo, AutoCAD
- PLM: Teamcenter
- Design Skills: 3D Modeling, 2D Drawings, GD&T, BOM
- Domain: Automotive / Industrial Components, Sheet Metal
- Manufacturing Focus: DFM/DFA, Fit & Finish, Assembly Feasibility

PERSONAL DETAILS

- Date of birth :- 14/05/2000
- Marital status :- Unmarried
- Language :- English, Marathi & Hindi
- Hobbies :- Reading Spiritual Books

DECLARATION

I hereby declare that the above information provided here is correct to the best of my knowledge.

Date : / /2026

Place: Chhatrapati Sambhajanagar

Yours Faithfully,
Akshay Dhage
